

PURPLE GIRL 1 WEEK NOOK & SUKA 2018

This is my big girl! She is very strong and has always been full of vigor. I find she is a little pushy. She took a while to settle down on the flip test but by 30 sec was fully relaxed. Front was relaxed at 10 secs. She was 1 lb 13 oz. at one week. Very outgoing and always keeping the little one warm.
